36 FUN FILLED PUTTING GREENS

You'll have a ball (pun intended) when you tee off on either, or both, of our crazy fun putting greens.

ANCIENT JUNGLE TEMPLE

Our 18 hole outdoor course features the ancient ruins of long forgotten jungle temples. Chip across the waterfalls, putt amongst the creeping tree roots of the rainforest, dodge the jungle animals and enter the secret tombs!

Our air conditioned indoor course has 3 spectacularly themed areas:

PIRATE'S COVE

Duck the cannon fire, discover the pirate's secret treasure hoard, watch out for peg leg Pete and his motley crew as you putt your way through this hidden pirate's retreat!

JURRASIC FOREST

The dinosaurs shake and roar as you putt your way through this pre historic forest. Be very careful not to wake the giant T-Rex!

MEDIEVAL CASTLE (Glow in the dark)

Enter the castle chambers under the glaring, glowing red eyes of the huge magic dragon. Putt past the Knights in their suits of armour as you enter the glow in the dark dungeons.

A GREAT WAY TO CELEBRATE A BIRTHDAY

A round of mini golf is a sure fire way to have a popular party with a difference. Carrara Mini Golf has a dedicated party room for after game celebrations. You bring the cake and we'll provide the party food and treats for \$18 per child for groups of 10 or more for 18 holes or \$22 per child for 36 holes.

BUT WAIT THERE'S MORE!
